

Combined Degree Credit Form

CCAS Office of Graduate Studies
Phillips Hall 215
801 22nd Street, NW
Washington, DC 20052
Email: caskccas@gwu.edu
Phone: 202-994-6210

Please refer to the instructions on this form before completing.

- A limited number of credits will count toward both degrees. Please visit the department website and Bulletin entry for the maximum number of double counted credits permitted for your degree combination.
- Combined degree students double-count 6000-level courses or advanced undergrad courses that include additional work to qualify for graduate credit.
- Courses that were completed before admission to the combined degree program will not count toward the graduate degree.
- Only courses for which you receive a grade of B or better will count toward the graduate degree.
- Subsequent changes to this course list must be made by the submission of a new form.

Please submit this form to the address above by the following deadlines

You combined degree status begins: Fall = November 20, Spring or Summer = April 20
