## We Talk

Fall 2020 | 12:00-1:00 PM

We Talk is a program that provides supportive consultation spaces for GW students. We Talk is an informal, friendly consultation with counseling staff alongside peers with similar backgrounds/interests. While we have daily topics to try to establish a space for students with similar experiences, all students are welcome to join any We Talk session!

We Talk is not a substitute for formal counseling and does not constitute mental health treatment, but the counseling-consultants can listen, provide support, and introduce you to what it's like to speak to a member of our counseling staff. Should you need accommodations, please contact [counsel@gwu.edu](mailto:counsel@gwu.edu).
